

1

### Create case at [www.implantconcierge.com](http://www.implantconcierge.com)

Start case by clicking on Current Dentate Status tooth chart and toggle between “missing” and “to be extracted” teeth. Complete Ideal Restorative Plan tooth chart. **Implant Concierge™** will provide a customized patient specific workflow.

2

### Upload CBCT Scan

Once case is started, Implant Concierge™ will provide patient specific CBCT scan protocols with all technical information in the overview tab. No scanning appliance necessary!

**FREE**

3

### Ship OR Upload Diagnostic Cast

Implant Concierge prefers digital impressions, but a diagnostic cast works also!

No **additional cost** to digitize your diagnostic cast!

4

### Finalize Virtual Implant Plan

Finalize your ideal restorative based treatment plan with an experienced 3D Case Coordinator in minutes. Schedule your VIP meeting online at your convenience!

**No software necessary!**

**\$150**

5

### CAD/CAM Surgical Guide

Save surgical chair-time while achieving minimally invasive and precise implant placement. Compatible with most all implant brands.

Six implants, one implant, pilot, fully guided, tooth borne or tissue born **ALWAYS \$225!**

**\$225**
