Faculty

Gary Moore, DDS
Dr. Gary Moore graduated from Loma Linda University, School of Dentistry. During his 30-plus years as a dentist, he has started 10 dental practices throughout the Pacific and Northwest region. He has completed hundreds of continuing education hours, and for several years he was a faculty member and taught at Loma Linda University School of Dentistry. Dr. Moore is a member of the Academy of General Dentistry.

Kevin Moore, DDS
Dr. Kevin Moore has 30-plus years of experience with special education in sedation, surgery, and implantology. He has been involved with implantology since 1982 when as a student he worked in the research lab for Dr. Philip Boyne at Loma Linda University. He continued with implant research for Dr. David Hall during his externship at Vanderbilt University from 1987 to 1988. He has been placing and restoring implants since 1986. He has administered anesthesia, site permitting, since the early 1990s for the State of California and recently for the State of Nevada. He was instrumental in formulating the current guidelines for permitting sites for IV sedation and their practitioners for Nevada.

SmileCE.com is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 5/01/2020 to 4/30/2023. Provider ID# 364208 Gary Moore DDS
